**Pleasant Heights Scholarship Considerations:** *The Pleasant Heights College Scholarship Fund was established to provide grants for tuition assistance at institutions of higher education. This includes any post-secondary institution, including but not limited to, universities, colleges, junior colleges, trade schools or technical schools. Scholarship applications must be neatly prepared and submitted in a timely manner. In order to be eligible for a scholarship, applications must be received by June 26, 2011. The period for determining eligibility for a scholarship is June 1, 2010 through May 31, 2011. Scholarships are granted based on available funding in any given year and are not self renewing.*

*A new application must be completed on an annual basis for renewal consideration.*

**Kristin Harder Memorial Scholarship Considerations:** *In loving memory of Kristin Alana Harder, John, Mildred, Glen, and Kevin Harder established the Kristin Alana Harder Memorial Scholarship at the Pleasant Heights Congregation of the Community of Christ. The purpose of the scholarship is to provide financial assistance to students from the Pleasant Heights Congregation who are pursuing education beyond the high school level. Another purpose of the scholarship is to keep alive the memory of one of the Pleasant Heights Congregations' best scholars, thereby encouraging others to pursue excellence in their own personal development.*

**Leonard & Ellen Garlick Memorial Scholarship Considerations:** *In loving memory of Leonard & Ellen Garlick, the Leonard & Ellen Garlick Scholarship was established at the Pleasant Heights Congregation of the Community of Christ. The purpose of the scholarship is to provide financial assistance to students from the Pleasant Heights Congregation who are pursuing education beyond the high school level at Graceland University.*
